Subject:	My new classmate

5 Dear Aunt Jenny,

How are you? It is night-time in New Zealand. What are you doing?

I have a new classmate today. His name is Nathan. He does not know any of us yet.

10 We talked about hobbies in the English lesson. Nathan likes collecting stickers. I like collecting stamps. We can look at our collections later.

He also likes playing basketball. I can invite him to play basketball with other classmates after school.

I will let you know how things go! 😊

Love,
