Dear Elvis,

I am not home for a few days. Today when I leave home, your bedroom is a mess ... again. It's time to clean your bedroom!

First, start at your cupboard. Open all the doors or drawers and make sure you fold your clothes **neatly**.

Then, move to your desk and bookshelf. Don't leave books open on your desk. Put away all your pencils and pens in your pencil case.

Then, have a look at your bed. Make your bed. Those dirty socks, school books, old pieces of paper, toys ... Put them in the correct places.

Then, have a look at the floor. Put things away in a box or somewhere else so that it looks tidy. Sweep the floor.

Do all this before I come back. I want to see a tidy bedroom.

Love,

Mum
