6 Places I visited

sample

Discover the Grammar

I've **never** been to The Peak before.
I **arrived** here a minute ago.

Get to Know

Present perfect tense 2: ever / never / once / twice

- We use '**ever**' to ask people if they have done something up until now.

Questions:

Have you **ever** been to The Peak?

Positive answers:

Yes, I have.

Negative answers:

No, I've **never** been to The Peak.
there.

- We use '**never**', '**once**' or '**... times**' to talk about how many times we have done something.

Questions: **How many times** have you been to The Peak?

Positive answers: I've been there **once / twice / three times**.

Negative answers: I've **never** been there.

Task to Do

questionnaires
