3 March 20XX (Fri) Sunny

This morning I picked Jojo up at Paul's home. Paul is going to a camp so he asked me to look after Jojo. Although Jojo was quite noisy, my sister and I were glad to see her. We played with her and took a lot of photos with her after we went home.

It is almost time for bed now but Jojo is singing loudly. I have to stop her …

---

4 March 20XX (Sat) Wet

Dad and I took Jojo to the park. But we went home early because it rained heavily.

Jojo was quiet and did not sing throughout the day. She looked very weak so we took her to the vet. The vet took a look at Jojo and asked, 'When was the last time you fed her?' Oh no! I forgot to feed Jojo. Fortunately, she felt much better after I gave her some bananas. Now she is singing happily.

---

5 March 20XX (Sun) Wet

I could not find Jojo in her cage after I woke up! I told Mum that Jojo was gone and it was all my fault. I felt so guilty and started to cry.

Mum laughed and took me to the bathroom. I saw a few green feathers on the floor. Jojo did not fly away! She was singing in the sink while Mum was giving her a bath.

---

6 March 20XX (Mon) Foggy

Paul was back tonight. Time to say goodbye to Jojo! At first, I thought Jojo was noisy. But now I like listening to her singing. I miss her so much. It is Paul's birthday party this Sunday. I cannot wait to see Jojo again at his home!
