### ▶▶ Mary has a little sheep

Mary has a little sheep. It is white. It has big eyes and a short tail.

One day the sheep goes to school with Mary.

'Mary, why is your sheep in our classroom?' asks the teacher.

'It wants to learn English,' says Mary.

The sheep says, 'Baa-baa!' It eats the teacher's flowers.

'You naughty sheep!' says the teacher.

Mary's friends play with the sheep at lunchtime. All the children and the sheep are happy.
