5. What is the next programme about?

- A. dining out
- B. cooking
- C. lunch
- D. restaurants

Reading 5 **ADVANCED**

sample

Daniel is reading some information about Open Day at school. Read it carefully. Choose the best answers for Questions 1-6 and complete Question 7.

Star Primary School Open Day

Our principal, teachers and students invite you to join us!

Date: 21 November 20XX (Sat) Time: 10 a.m.–4 p.m. Venue: Star Primary School

Science Corner

5

Do you want to know more about science? You can go to the fifth floor. Our Primary 6 students will show you some short videos about the solar system.

Children aged over 10 can do simple science experiments with our parent helpers. You will learn how to make a rainbow using a glass of water and a piece of paper.

Art Workshops

10

The bracelet workshop is for children aged 4 to 6. We have prepared a lot of colourful strings for you. Our Visual Arts teachers will show you how to turn them into fashionable bracelets.

For those aged 7 to 14, you will surely find the digital art workshop enjoyable. In this workshop, you will make digital Christmas cards using a computer programme. You can make some cards for your parents and best friends.

15

Talent Show

Come to our hall and enjoy the performances by our drama team, orchestra, choir and dance team. They are all award-winning teams in inter-school competitions. The show will start at 2:30 p.m. Everyone is welcome!

20

Directions

We encourage you to take public transport. You may get off the train at Siu Hong MTR station. Take Exit A and walk along Park Road for two minutes. The school is on your right. You may also take a minibus outside Tuen Mun MTR station. It takes around ten minutes.

25

There will be shuttle buses outside Tin Shui Wai and Yuen Long MTR stations every hour from 9:15 a.m. to 2:15 p.m.

Free tickets are available for our students and parents at the school office from 5 October. For visitors, please sign up on our school website for free tickets from 15 October. You may contact Miss Susanna Lee at 4545 3535 for more information.

Mini Dictionary

solar system: the sun and the group of planets that move around it

experiment: a test done in order to learn something

orchestra: a large group of musicians playing many different kinds of instruments and led by a conductor
